Maximum dimensions and weight allowed on an annual oversize permit are:

120' long x 12'5" wide x 13'10" high - unlimited distance - no routing required.

Up to 75' long x 12'5" wide x 13'6" high, 80,000 lbs. (maximum dimensions for hay.)

Permittee is responsible to check the proposed route for width and height limitations before any move.

Load must comply with posting on all bridges.

Disclosure statement: The information furnished on this application will be used by VAN BUREN COUNTY to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the result of the move. Van Buren County and any other permit issuing authority assumes no responsibility for the property of the permit holder.

The permit holder is required to carry a copy of the Iowa General Provisions for Oversize Load Permit dated 10/2001 in addition to this document.
